# A LANDMARK DESTINATION FOR EXTRAORDINARY EVENTS

---

Steeped in history and defined by timeless elegance, 48 Wall Street is one of New York City's most prestigious destinations for corporate gatherings, luxury celebrations, and exclusive occasions. More than a venue, it is an architectural masterpiece where heritage, sophistication, and world-class hospitality create unforgettable experiences.

Located in the heart of Manhattan's Financial District, the iconic former Bank of New York & Trust Company Building spans three remarkable levels. The current structure, the third to grace this historic address, was dedicated on January 12, 1928, honoring founder Alexander Hamilton and America's enduring financial legacy.

At the heart of the landmark is the breathtaking Grand Mezzanine Banking Hall, where soaring 30-foot ceilings, magnificent Palladian windows, exquisite architectural detailing, dazzling chandeliers, and a dramatic marble staircase create one of New York City's most spectacular event settings. Complementing the Hall, the versatile London & Amsterdam Auditorium offers executive meeting space and six flexible breakout rooms for conferences, leadership summits, product launches, and corporate programs.

Listed on the National Register of Historic Places in 2003, 48 Wall Street continues to host extraordinary events where historic grandeur, contemporary luxury, and impeccable hospitality come together to create timeless experiences.
